# QuietAir QT100

Toilet, bathroom and en-suite ventilation

## **Key Features**

- Axial fan
- Two speed ventilation up to 90 m³/hr\*
- Awarded Quiet Mark by Noise **Abatement Society**
- Extremely quiet, noise levels as low as 25 dB(A)
- Power consumption from only 5w
- Interval timer for routine auto extraction
- Very low SFP of 0.24 W/l/s
- Long life ball-bearing motor 40,000 hours
- Integral flow straightener / backdraught flap
- Powerful extraction for longer ducts
- Suitable for installation anywhere in Zone 1 of bathrooms when installed with an RCD
- IP45 rating
- Complies with Building Regulations
- 3 year warranty

# QT100 range

The whisper quiet QuietAir QT100 is designed to provide powerful extraction levels that exceed the requirements of the latest Building Regulations.

The QuiteAir QT100 is the quietest fan available complying with Building Regulations "Installed Performance" requirements when ducted.

QuietAir is a range of elegant, discreet axial fans that are extremely quiet with various control options that activate the fan only when needed - remote switching,

timer, humidity timer and motion sensor with timer. By using exceptionally low energy this helps to reduce carbon emissions and also save on your energy bills. It has a high efficiency impeller for extraction through up to 12m of rigid ducting and still complies with the Building Regulations.

Room refresh (interval timer) enables automatic extraction at pre-set times if required.

#### **Models**

Basic Control by remote switch

Timer Timer can be set to run on for 6,10,15 or 21 minutes

Humidity Timer Humidity sensor can be set between 60 - 90% RH

Motion Sensor Timer PIR sensor activates fan
